

**DEAR PARENTS,  
ACCORDING TO CDC, THERE IS NO EVIDENCE THAT COVID-19 CAN SPREAD TO  
HUMANS BY USING THE POOLS.  
PROPER OPERATION, MAINTENANCE, AND DISINFECTION WITH CHLORINE OF  
OUR POOL SHOULD REMOVE OR INACTIVATE THE VIRUS THAT CAUSES COVID-  
19**

**IN ORDER TO PROTECT OUR STUDENTS AND STAFF, WE WILL BE ADJUSTING  
OUR SWIMMING PROGRAM AND UTILIZING ADDITIONAL SAFETY MEASURES  
SUCH AS:**

- **Sterilizing our toys and equipment after every lesson.**
- **Providing Safety signs to enforce social distancing**
- **Providing hand sanitizer in our public spaces**
- **All students will be trained on proper handwashing and social distancing**
- **Providing personal protective equipment (face masks and face shields)**
- **Enforcing stay at home for all the students and staff if they have flu-like symptoms**

**Please contact [info@marinaswimschool.com](mailto:info@marinaswimschool.com) or 604-818-4650 for registration and inquiries.**
